The Fall 2016 Singles and Doubles schedules are now set up and ready to go on the USSquash website. Play begins Thursday September 22, 2016 for C Singles, Senior Doubles and Mixed AB Doubles, and then the following week for all other Singles and Doubles.

Please note:

- The Vets and Seniors League has two divisions. Both tiers will have their own playoffs.
- C Singles Division - generally, a player needs to be rated **below** 3.75 to play in the C division. As an exception, if a player is rated 3.75 or higher and below 4.00, then that player may play, but is restricted to playing the number 1 spot. If such a player plays in the 2 - 4 positions, that match will be defaulted. Ratings for this purpose will be those that will be calculated as of 9/13/2016. See the **Ranking Periods - List History** section of the **Rankings** tab on a player's profile for the applicable rating. We will send out a list of submitted players that this applies to on Wednesday September 14. Note that such players may not be limited to this list - check ratings!
- B Singles Division - generally, a player needs to be rated **below** 4.50 to play in the B division. As an exception, if a player is rated 4.50 or higher and below 4.75, then that player may play, but is restricted to playing the number 1 spot. If such a player plays in the 2 - 4 positions, that match will be defaulted. Ratings for this purpose will be those that will be calculated as of 9/13/2016. See the **Ranking Periods - List History** section of the **Rankings** tab on a player's profile for the applicable rating. We will send out a list of submitted players that this applies to on Wednesday September 14. Note that such players may not be limited to this list - check ratings!
- US Open Week - there are no matches scheduled October 10-13, 2016. This is due to the US Open being held at Drexel University. So don't sweat about playing vs watching! Take a break - go watch the world's best players, and get pumped up for the following week when league play resumes!

You will need to log in the first time using your US Squash credentials as per part 2 above.

## 8. Playoffs

- a. There will be two weeks of playoffs at the end of the season.
- b. Generally, the top 4 teams in the division will participate, unless there are mitigating circumstances, i.e. there are only 4 teams in the division and not all of them participated adequately to qualify for playoffs (too many defaults or too few exposures).
- c. In the case of the Vets and Seniors Doubles leagues, where there are 2 *tiered* divisions, each division will have its own playoff.
- d. See Rules 5 and 6 for more on playoffs.

### **Important Note #1 - Player Membership**

If a player is not a current member, then even if that player is recorded as winning, the win will NOT be reflected in the Team Points. *Note: Currently there is a bug in the USSquash software where a doubles team may receive such credit for the win if just one of the players is current and the other is not. Those matches May be converted to defaults at the end of the season.*

If the offending player does become current afterwards, then the win may be restored.

### **Important Note #2 - Calculation of Standings**

Standings and Playoff positions are determined by the number of Individual Matches won, NOT team wins nor games nor points.

Note that if there are an odd number of teams in your league, teams may receive a BYE sometime during the season.

This may result in a different number of matches per team.

This is why there is a percentages column to indicate the true team standings.

This percentage represents the number of individual wins by the team so far, as compared to the TOTAL number of individual matches scheduled for that team for the entire season.

Games won only comes into play when two teams are tied in match percentage.

For more on tie-breaking rules, please see the League Playing Rules, item 6 - [http://www.phillyboast.org/PSRA\\_Leagues\\_PlayingRules.htm](http://www.phillyboast.org/PSRA_Leagues_PlayingRules.htm).

There is also new information about defaults as regards to playoffs under rule 6:

*In the event that one team (A) has a substantial number of default wins where they make the playoffs to the detriment of another team (B) that has a higher percentage of actual wins, then upon appeal from Team B, the league committee and association president may elect to hold a playoff feed-in match between the 2 teams. Factors may be taken into account such as the default record of each of the teams.*

Points will not be examined in regular season matches, due to the fact that they are unreliable.

**Important Note #3 - Entry Deadline at End of Season**

All regular season matches SHOULD be recorded by noon the next day from the last scheduled match of the season and MUST be recorded by noon on the Saturday following the last scheduled match of the season. Please do not ask for an extension beyond that time.

This is due to the fact that captains and their players will be trying to schedule their time to play their playoff matches.

Please be courteous to all and have your results posted in time.

**Important Note #4 - Playing Rules**

You should also read the PSRA playing rules, found at the PSRA web site:

[http://www.phillyboast.org/PSRA\\_Leagues\\_PlayingRules.htm](http://www.phillyboast.org/PSRA_Leagues_PlayingRules.htm)

Answers to questions concerning playing in multiple leagues, substitution, playoff eligibility, etc. will be found there.

**Important Note #5 - Defaults**

It is important to the vitality of the league that captains take measures to field a team for all matches and avoid defaults.

For more information about defaults, please see item 18 of the League Playing Rules -

[http://www.phillyboast.org/PSRA\\_Leagues\\_PlayingRules.htm](http://www.phillyboast.org/PSRA_Leagues_PlayingRules.htm)

**Important Note #6 - Clothing**

Many clubs (Merion, Philadelphia Cricket Club, Racquet Club, Germantown Cricket Club, Cynwyd Club) require players to wear all white, including visitors playing league matches.

Additionally, Merion requires white squash shoes, headbands and wristbands as well.

If there's anything I missed, please drop me a line.

Thanks and have a great season,

Ken Jaffe
