UPCOMING PSRA MEETING

The fall meeting will be Thursday September 4 at 7 PM at the Cynwyd Club. At this time we ask that the club pro or rep submit the team rosters with captain (plus phone numbers) and all players including subs. The Ranking Committee will once again review the submitted rosters and place the teams in the appropriate division for veteran and senior doubles based on last year's playing record.

Important league reminders:

All players must be current members of the PSRA or their matches will be defaulted.

No rescheduling of matches. Play or get a sub!!!

Eyeguards are mandatory.

Captains must submit complete and accurate account of each match. This should include in rank order the names of players on both teams and the score (3-2 is sufficient).
