

The Philly Boast

September 2004

General Information

Dear PSRA Members:

A new season is coming upon us. The association is planning a few new things for this fall season. The first is that the A singles will have 2 divisions like the Veteran and Senior doubles. The membership season runs September 1 – August 31 so please plan on joining because leagues are scheduled to start at the end of September. The second thing is that results will be compiled weekly and standings will be posted on the website (www.phillyboast.org). So it is imperative that timely and accurate results are sent to the recorder via the results form on the website. This will be the only way to submit results. We are confident that this change will help to alleviate any confusion as the season progresses towards the playoffs and it will also aid in computing rankings in a timely fashion. We appreciate everyone's help. Please let me know if you have any questions. Current single rankings are on the website along with the full tournament schedule.

UPCOMING PSRA MEETING

Please join us on **Thursday September 9 at 7PM at the Cynwyd Club** for our fall meeting. At this time all rosters must be handed in if not already emailed to Jody Law (jlaw@brynmawr.edu). The ranking committee will meet on Saturday September 11 to place teams in the appropriate divisions. Please be aware that no player may play for two different clubs in the same division. So please make sure that the rosters are current and players have been confirmed. We will not chase down pros or captains to correct the rosters. All questions concerning the rosters will be resolved by then.
